About P.R.I.M.E. Finance

P.R.I.M.E. Finance is based in The Hague and was established to help resolve disputes concerning complex financial transactions. The organization has the support of key international regulatory bodies and is complementary to the on-going financial market regulatory reform process. The Permanent Court of Arbitration is the world’s oldest arbitral institution, with over a century of experience in administering complex international proceedings. P.R.I.M.E. Finance joined forces with the PCA in 2015, combining the subject matter expertise of its Panel of Experts with the PCA’s administrative efficiency. While the filing address for notices of arbitration is with the PCA at its Peace Palace headquarters in The Hague, arbitrations may take place anywhere in the world, and may be facilitated by the PCA's host country agreements with a number of its Contracting Parties. As a result, parties to complex financial transactions have improved access to arbitration and mediation to resolve their disputes.
