What are the consequences of Brexit for financial contracts and the potential for disputes? What are the latest developments in sovereign finance? And what to expect of issues such as blockchain, electronic execution, smart contracts and e-discovery? These and other topics will be discussed during the Sixth Annual Conference of P.R.I.M.E. Finance which will take place on 23rd and 24th January, 2017 at the Peace Palace in The Hague. The opening keynote address will be by Steven Maijoor, Chair of the European Securities and Markets Authority (ESMA).
